A warm welcome to our autumn programme

This season we have a great selection of shows, with something for all the family. Children's shows include **The Singing Mermaid**, **Ms Rachel**, **Bubble Man**, **Room on the Broom** and **Alice in Wonderland** the ballet.

For those who enjoy comedy there are just a few tickets left for **Seann Walsh** in October now and our own comedy club **Live at the Radlett** will be with us in January.

Opera Boys have been a Radlett favourite for many years and they are returning for one final time, and **Paul Potts** will join them as a guest star. **Liza Pulman** is known for **Fascinating Aida** and for her shows with Joe Stilgoe. Following a successful London run, Liza brings her own style to the **Barbra Streisand** repertoire as she **"Sings Streisand"**.

We also have tribute shows to **Dolly Parton**, **Queen**, **Abba**, **George Michael**, **Elvis** and **The Beatles**.

Please remember to book your tickets for our wonderful family pantomime, **Snow White**, as many performances are already sold out.

Did you ever go to Silversands

On a sunny summer's day?

Then perhaps you saw the mermaid

Who sang in the deep blue bay

*'Raucous fun! Bad puns, circus tricks

The Guardian

3-8 year olds and their families will love this adaptation of Julia Donaldson and Lydia Monks' hugely popular book, brought to life with beautiful puppetry and performance, and music and songs by Barb Jungr (We're Going on a Bear Hunt).

One day the singing mermaid is tempted away from all of her sea-creature friends to join a travelling circus. The audiences love to hear her sing, but the poor mermaid was tricked! Instead of the swimming pool she was promised, she is kept in a small fish tank by the wicked circus master Sam Sly. She longs to return to the sea, but how can she escape? And who could help her along the way?

Shoshana

Gilmore

Shoshana's passion for art first started

when I was drawn into a world of hooded figures on public transport. Individuals, all-consumed and hooked into the virtual world that lay in their very hands. By making use of my artistic skills, I have been able to transform this encapsulated reality of what consumes us to recreate the world that truly surrounds us by drawing inspiration from my life's work and involvement in my charity, supporting the homeless across Central London and the home counties.

Her husband Lloyd whose specialises in bringing neon light drawings through a dark background will also be exhibiting his pictures.

Beata Sokolowska

Beata's theme of 'In Between Elements' using oil on canvas explores the connection between the elements, and the delicate space where these worlds meet.

Inspired by both marine and land life, and the exploration of their natural environments. Beata creates unusual glimpses into worlds expressed with texture, colour, and composition; spaces where elements meet and interact.

With 'In Between Elements', Beata invites you to pause and consider the quiet dialogue between land, water, and life.
